ORDER

THIS MATTER comes on before the Court on the Special Master's Report on Motion to Withdraw General Entries of Appearance and File a Limited Entry of Appearance on Certain Issues (September 29, 2009, Doc. No. 2434). There having been no objections filed, Fed. R. Civ. P. 53(f), the Court finds that the Special Master's recommendations should be, and shall be ADOPTED.

IT IS ORDERED, THEREFORE, that the motion to withdraw entries of appearance by counsel for the Western New Mexico Water Preservation Association is denied as moot.

IT IS FURTHER ORDERED that the motion for leave to enter a limited entry of appearance is denied. Counsel is granted leave to refile such a motion under the appropriate circumstances.
